Re: ACS/Guidant v. Medtronic Vascular, Inc., C.A. No. 98-80 (SLR)

Dear Ms. Tassone:

We have learned that while Medtronic Vascular filed the correct version of its Opening Brief In Support Of Its Motion For New Trial with the Court in hard copy, it erroneously e-filed the wrong version of that document. Enclosed herewith is a disk which contains a PDF copy of the correct version of that brief. We respectfully request that this version be substituted for that currently at D.I. 653.

In addition, the enclosed disk contains a PDF of D.I. 654 which reflects the correct title of the brief: Medtronic's Opening Brief In Support Of Its Renewed Motion For Judgment As A Matter Of Law.

We apologize for any inconvenience.

Respectfully,

Karen Jacobs Loudon
